TEN IBIZA

Pure Balearic DNA flows through the veins of this project.
Born in 2013, there is a great deal of respect and admiration felt for Ibiza by founders Oriol Calvo and Micky.
#TENIbiza flaunts flow in a league of its own with a deeper understanding of social events, parties and music. It's a communal concept: a brotherhood tailored to fit anyone who feels truly connected to the authentic Balearic Ibiza sound, modern but right on trend excluding itself from any labels, class, gender or boundaries.
#TENIbiza sole belief is music is the magic of the island, a universal language that connects us. In this premise #TENIbiza can adapt to either night or day, in a club, festival or beach club.
Always making sure every last, minute detail is attended to.
Feeling, submersing, connecting to the dance floor always aiming to create unique atmospheres resulting once in a life time experiences.
Our urban Image, inspired by the most cosmopolitan cities around the globe and coupled with the authenticity and laid back vibe of Ibiza has secured TEN Ibiza's showcase and our artist agency program steady residencies in all the best clubs and festivals on the island and around the globe.

ME

YOU Hosted by TEN IBIZA

#YOUIbiza is much more than just a new party concept, devised by the TEN Ibiza team...

YOU is the result of letting go, absorbing yourself in the magic of the island.

YOU, is a great cocktail, a sunset dancing in great company.

An attitude, an energy, from the beach to a cosmopolitan rooftop, but most importantly, do you know what is you?

YOU is music, so much good music surrounded by friends in the beautiful light of day in open spaces.

#YOUIbiza is the authentic Deep House, from the freshest to the most sensual House.

YOU, are sessions created by Oriol Calvo, Rayco Santos and Sara de Araújo, together with a long list of special artists.

Without a doubt, YOU is a new way to feel, to live, to dance, and to taste the essence of Ibiza wherever you are.

#YOUIbiza has residencies in Me Ibiza rooftop, Purobeach Barcelona at Hilton Diagonal Mar, STK Ibiza, Café del Mar Ibiza, amongst others.
